        "description": "a spacious venue for large event",
        "events": [
```

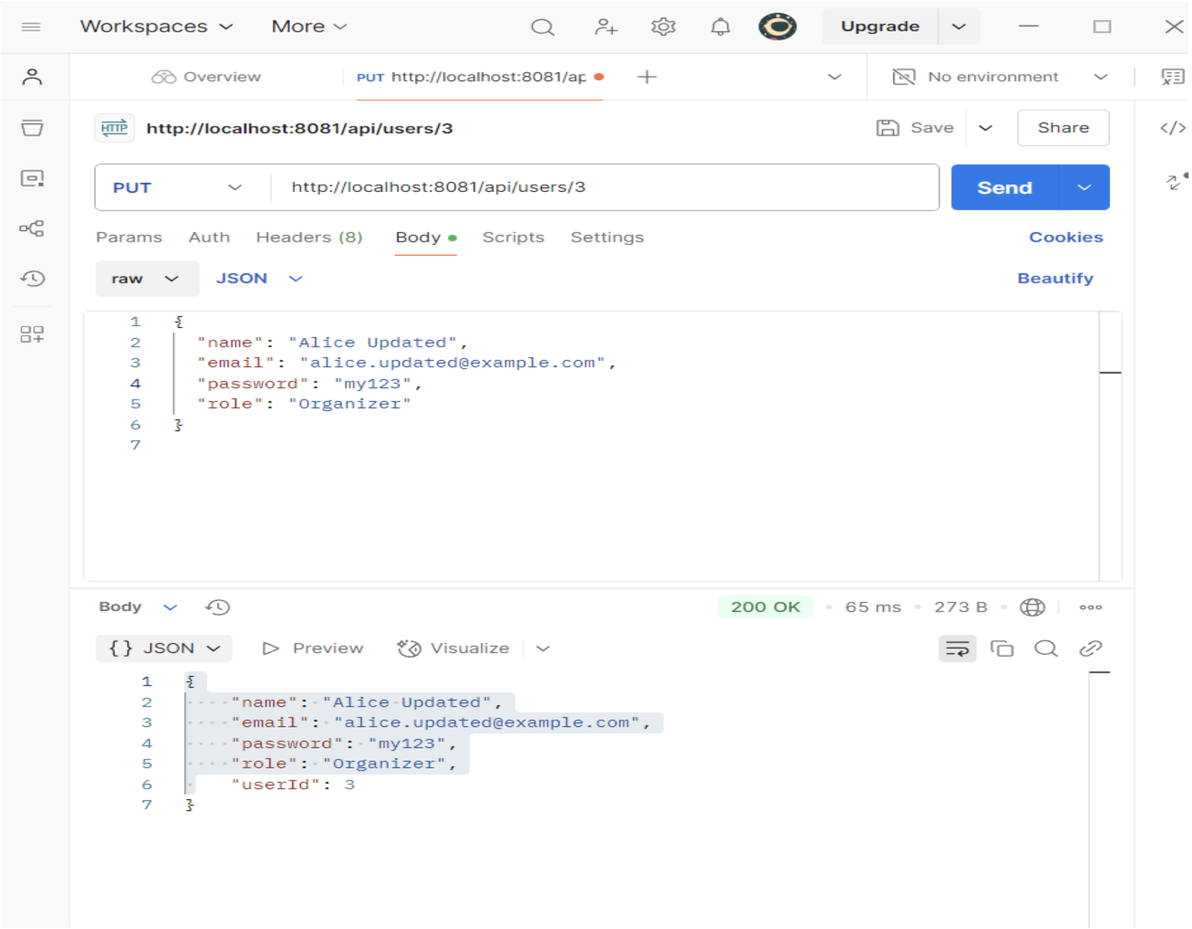
6. Update user



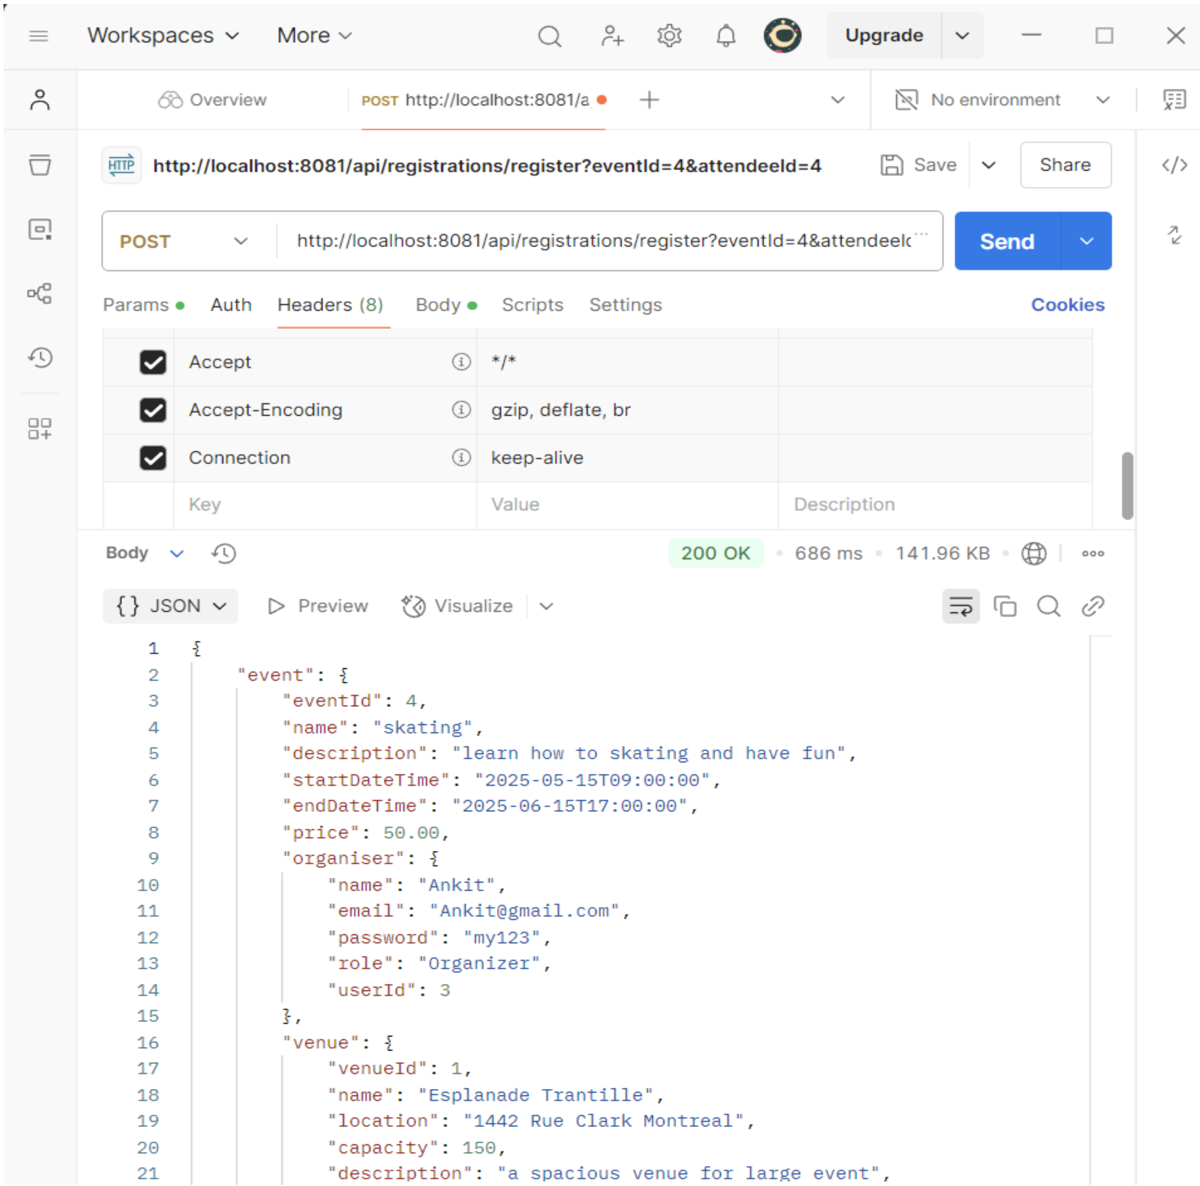
http://localhost:8081/api/users/3

PUT http://localhost:8081/api/users/3

```
{
  "name": "Alice Updated",
  "email": "alice.updated@example.com",
  "password": "my123",
  "role": "Organizer"
}
```

```
{
    "name": "Alice Updated",
    "email": "alice.updated@example.com",
    "password": "my123",
    "role": "Organizer",
    "userId": 3
}
```

7. User register for event



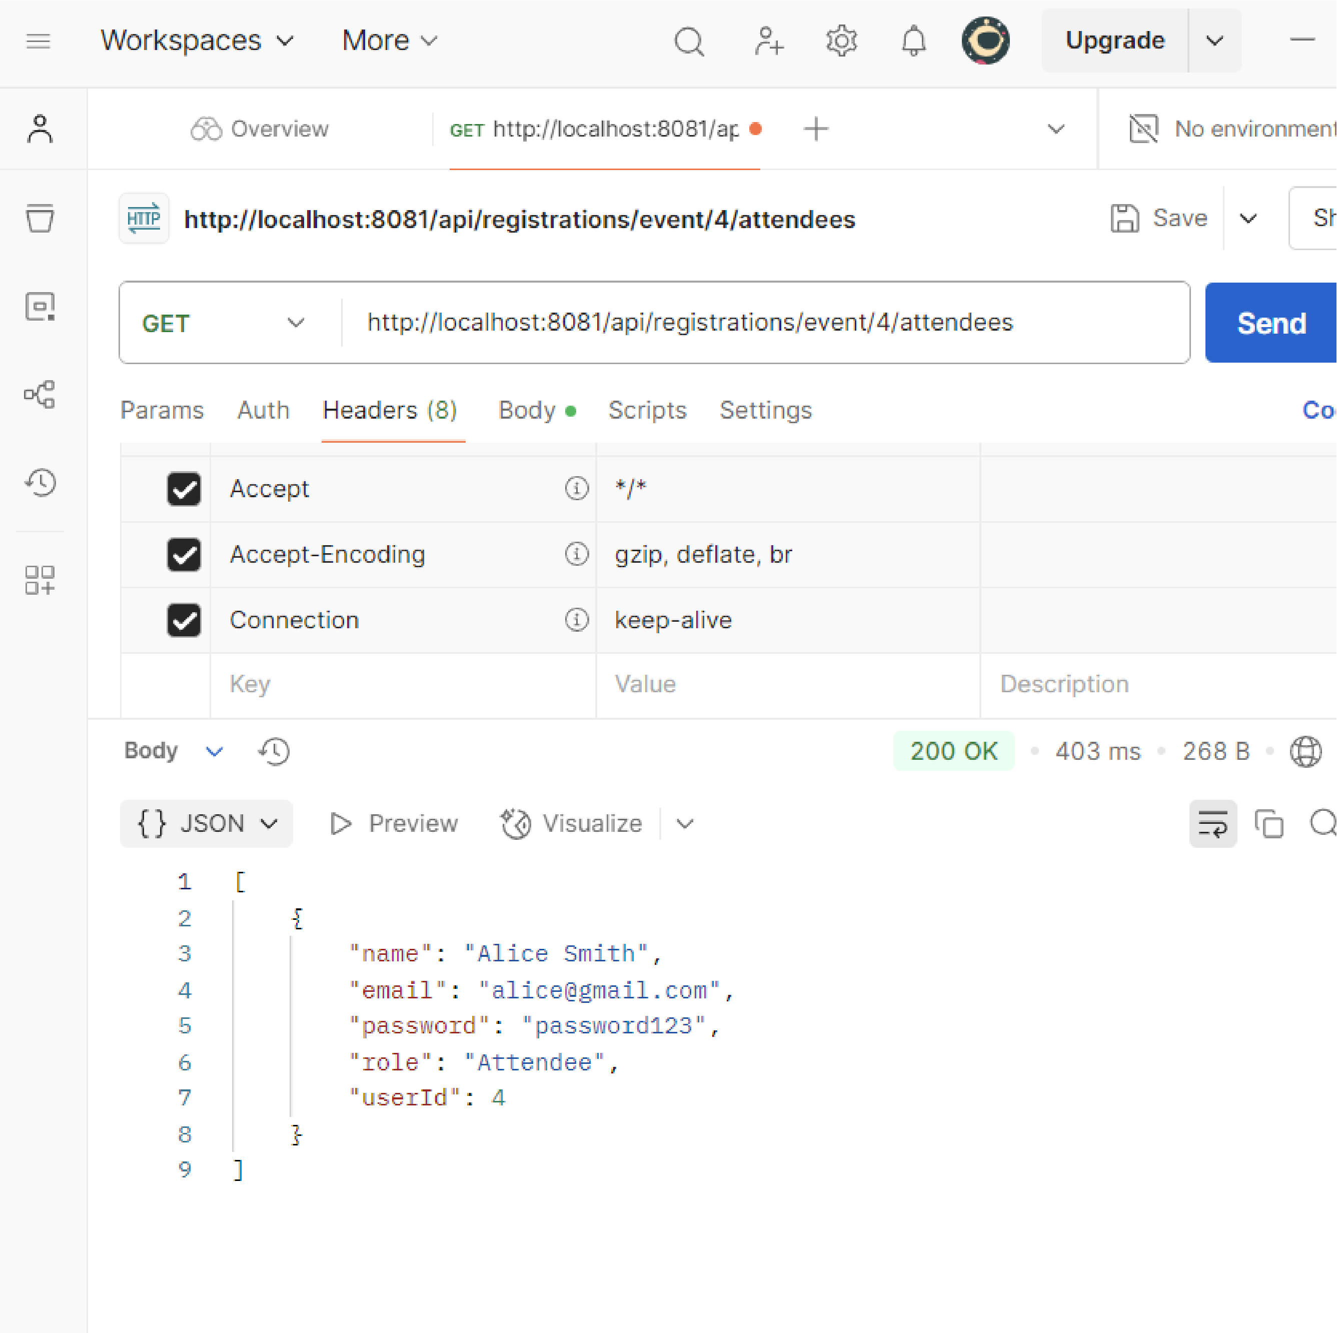
http://localhost:8081/api/registrations/register?eventId=4&attendeeId=4

POST http://localhost:8081/api/registrations/register?eventId=4&attendeeIc

	Key	Value	Description
☑	Accept	*/*	
☑	Accept-Encoding	gzip, deflate, br	
☑	Connection	keep-alive	

```
{
    "event": {
        "eventId": 4,
        "name": "skating",
        "description": "learn how to skating and have fun",
        "startDateTime": "2025-05-15T09:00:00",
        "endDateTime": "2025-06-15T17:00:00",
        "price": 50.00,
        "organiser": {
            "name": "Ankit",
            "email": "Ankit@gmail.com",
            "password": "my123",
            "role": "Organizer",
            "userId": 3
        },
        "venue": {
            "venueId": 1,
            "name": "Esplanade Trantille",
            "location": "1442 Rue Clark Montreal",
            "capacity": 150,
            "description": "a spacious venue for large event",
```

8. Get user who registered for event



http://localhost:8081/api/registrations/event/4/attendees

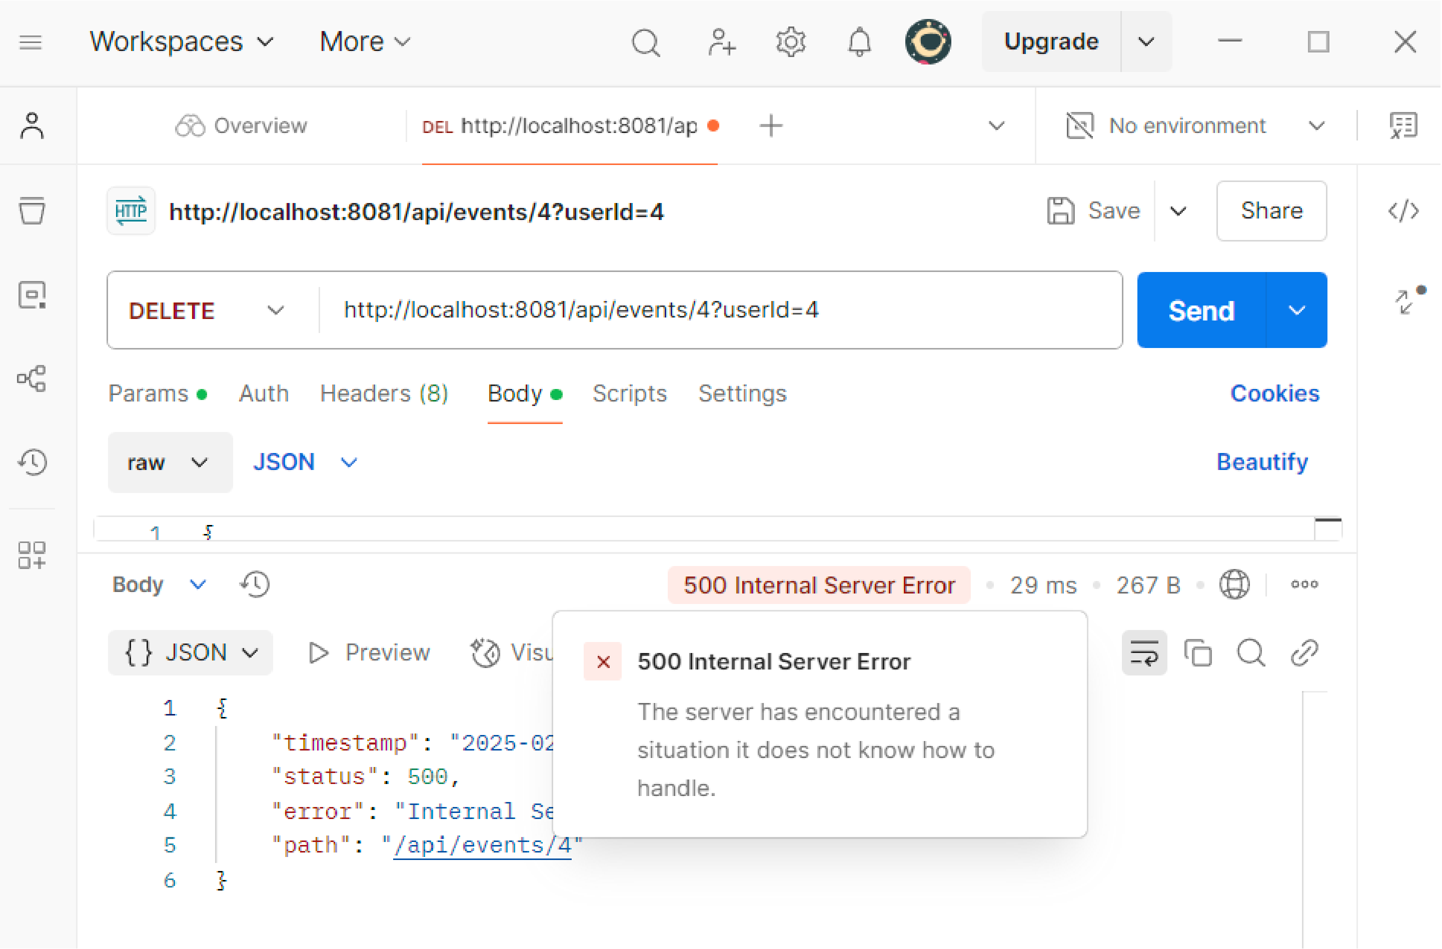
GET http://localhost:8081/api/registrations/event/4/attendees

	Key	Value	Description
☑	Accept	*/*	
☑	Accept-Encoding	gzip, deflate, br	
☑	Connection	keep-alive	

200 OK • 403 ms • 268 B

```
[
    {
        "name": "Alice Smith",
        "email": "alice@gmail.com",
        "password": "password123",
        "role": "Attendee",
        "userId": 4
    }
]
```

9. User tried to delet event without permission



http://localhost:8081/api/events/4?userId=4

DELETE http://localhost:8081/api/events/4?userId=4

500 Internal Server Error • 29 ms • 267 B

```
